

The diagram illustrates the relationships between various countries and conflict-related categories. The countries are represented by colored circles and labeled with their three-letter codes. The categories are represented by text labels. Arrows indicate the direction of the relationships. The diagram is divided into four main clusters: 'Olive' (green), 'Pink' (pink), 'Brown' (orange), and 'Purple' (purple). The 'Olive' cluster includes countries like AFG, SOM, YEM, and SSD. The 'Pink' cluster includes countries like VEN, HTI, and GMB. The 'Brown' cluster includes countries like USA, GRC, and FRA. The 'Purple' cluster includes countries like TUR, UKR, and EGY. The diagram also shows a large cluster of countries in the bottom right, including USA, GRC, FRA, ISR, and RUS.
